

BOB MANN

SPEAKS

2018 Presentation Topics

1. Unleashing your SALES Power

Success Strategy

Bob shares with the audience what he learned from two decades of leadership experience in a very successful company. The operations made companywide training a priority which in turn created the most effective sales team. Investing into employees sustained years of success and led to the company's buyout at its peak. During the presentation, Bob shares the **Million Dollar Question**. Yes, ONE single question brought millions of dollars to his team for years.

2. You are the Missing Link

Inspirational Encouragement

Bob Mann talks about the impact we have in our world, how positive thoughts affect those we encounter daily and how our attitude affects humanity. The attendees are encouraged to work harder, and feel **empowered** to spend more time working on what matters the most: themselves.

3. Take Time...to Laugh

Motivational Humorist

Need to **energize** your meeting crowd? Laughter is the best medicine and a great way to **connect**. Bob has developed the best humorous storytelling method to motivate, inspire and entertain any meeting. During the presentation, Bob shares with the audience how to promote a culture of interacting in a way that brings business success.

Bob Mann is available for keynote presentations or breakout sessions.
